Edexcel GCSE Mathematics (Linear) – 1MA0

FACTORS, MULTIPLES PRIMES

Materials required for examination Ruler graduated in centimetres and millimetres, protractor, compasses, pen, HB pencil, eraser. Tracing paper may be used. **Items included with question papers** Nil

Instructions

Use black ink or ball-point pen.

Fill in the boxes at the top of this page with your name, centre number and candidate number. Answer all questions.

Answer the questions in the spaces provided – there may be more space than you need. Calculators may be used.

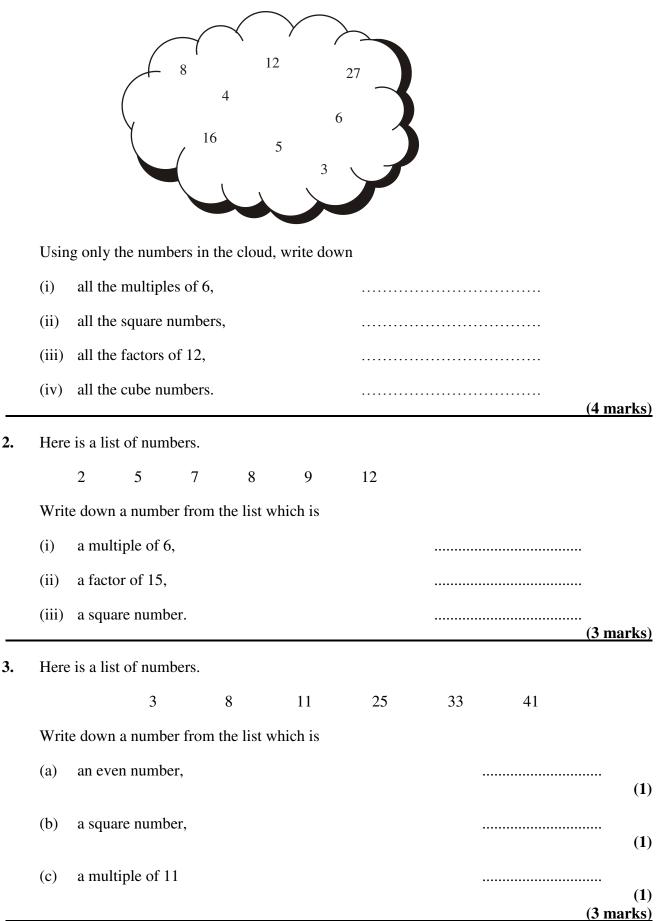

Information

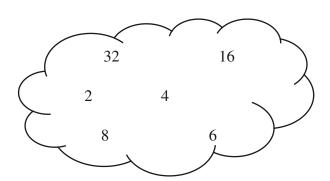

The marks for each question are shown in brackets – use this as a guide as to how much time to spend on **each** question.

Questions labelled with an **asterisk** (*) are ones where the quality of your written communication will be assessed – you should take particular care on these questions with your spelling, punctuation and grammar, as well as the clarity of expression.

Advice

Read each question carefully before you start to answer it. Keep an eye on the time. Try to answer every question. Check your answers if you have time at the end.

From the numbers in the cloud, write down

(a) a square number,

(b) the square root of 16,	
	(1)
(c) the cube of 2,	
	(1)
(d) the prime number.	
	 (1) (4 marks)
	(+ marks)
2 3 4 5 6 7 8	
From the list of numbers, write down	
(i) the square number,	
(ii) the cube number,	
(iii) the square root of 9.	

5.

6. Here is a list of numbers.

		17	24	25	26	35	43	44	
	Fron	n the nu	mbers in	the list, v	write dov	vn			
	(i)	the odd	d number	that is la	arger that	n 40,			
	(ii)	the nur	mber that	is a mul	tiple of 7	7,			
	(iii)	two nu	mbers th	at have a	differen	ce of 20),		
	(iv)	the nu	mber that	has the s	same val	ue as 2 -	+ 3 × 5		
									(4 marks)
7.	Here	e is a list	of numb	ers.					
		8	3 15	23	27 32	33			
	Fron	n the nu	mbers in	the list, v	write dov	vn a nun	nber that	t is prime.	
									(1 marks)
